What next?

More details on what you get from each of our programmes and how to register your expression of interest with Boost Business Lancashire for grant assistance can be found overleaf.

What do I get?

F WORD STARTER LEVEL

The Cash Academy

Designed to advise you on the best habits to adopt in order to build cash for yourself and the business. This will ultimately reduce the risk of you getting into financial difficulty and enable you to make better business decisions.

What you get:

- ✔ 4-weeks of online one-to-one advice and coaching at a time to suit you
- ✔ Based on the assessment of your accounts we will build and give you access to a cash building model unique to your business
- ✔ Walk away with a definitive action plan to work from to ensure future cash flow stability

F WORD EXPERT LEVEL

Financial Health Check

Using our unique diagnostics, we'll take you through a full financial health check. This includes accounting data, systems processes and controls, financial skills, financial tools information and reporting, business protection, and of course your financial strengths.

What you get:

- ✔ Our experts for one full day, on-site or remotely to undertake a full diagnostic financial health check. This will require input from you and your finance teams
- ✔ A personalised audit report that identifies areas for improvement along with a prioritised action plan
- ✔ Consultation meeting to discuss findings and next steps

F WORD PRO LEVEL

Future Forecasting

Here we will work with you to fix any of the issues identified in the Health Check. We will create a solid foundation on which your business can thrive and build on the financial strategies we put in place.

What you get:

- ✔ A dedicated F Word coach to work through your action plan with you, every step of the way
- ✔ One, 15 minute progress call per week with your coach. This will encourage accountability and keep you focused on the end goal
- ✔ One-to-one sessions with our in-house financial advisor to look at your personal finances and pensions

ONLINE TRAINING & COMMUNITY

The F Word Academy

This unique training and community platform has been designed encourage, inspire and help get you on track for the business and life you want.

It is the THE place for any business owner wanting to get a grip on the money in their business and enjoy consistent financial success through better profit and stronger cash flow.

How do I apply?

You can register your expression of interest now via a form on the Boost Business Lancashire website. You will be asked at this stage what level of grant you require and what project you plan to use the money for.

Using the details on this information sheet will help you build the case for your application.
